Tuesday was very generally observed as the People's Day, and so pleasant and profitable were the exercises in the various churches that some one who knows what it ought to write it out.
 Unfortunately, this isn't the one, but a later date will even his heart to tell the whole.
 The exercises were very beautiful, in all our churches, but particularly at the First Baptist Church, where art is arranged and combined with nature to produce a very lovely effect.
 The Westminster children were educated in the morning by Mr. W. H. Kerr at the Washington, Cal. and in the evening Mr. Harling of Newark.
 On Monday evening the Young People's Society of Westminster gave their closing exercises and music by the young people of the association.
 On Tuesday evening time had rolled on so fast that it was not long before it was enough to demand another "Dinner." The board of directors of the Grange, with the exception of Harry S. Richards, who was out of the city, were entertained by Dr. W. H.

A pretty wedding took place in New York, New York, on Wednesday, June 11th that of Miss Mary Burr of N. Y. and Mr. George Rice of Harvard College.

The bride is well known in this place, as the daughter of the late Edward Burr, but also as a grand-daughter of our consistent clergymen, who for many years were pastors in the First Presbyterian Church—the late Rev. Mr. Seymour the Rev. Dr. Sherwood, who met the marriage ceremony.

The bride was beautifully decorated with pearls, diamonds, etc., among which her bride's hair was white gown and assumed quite its place.

Miss Seymour received the bridesmaids, who were almost all relatives. The occasion was delightfully informal and a delicious collation the newly married couple departed, amid a shower of rice.

TOLEDO, O. JAN. 10, 1887.

DEARS F. J. CHENEY & CO.—Gentlemen—I have been in the general practice of medicine for more than 40 years, and I have had a great deal of opportunity and experience; have never seen all the preparations that I could prescribe with as much success as I can with Hall's Catarrh Cure, manufactured by you. Have prescribed it more than 40 years, and I have never seen a case where it would not cure. I would say to conclusion that I have not to find a case of Catarrh that it would not cure, if they could take it according to directions.

Yours truly,
J. J. GOREM, M. D.
Office, 215 Summit St.
We will give \$100 for each case of Catarrh we cannot cure with Hall's Catarrh Cure, returned internally.
